## NEW MERCH SWEATPANTS \$65

# PETE EVANS

Pete completed two years of full-time training at the renowned Ev&Bow Full-Time Dance Training Centre, under the mentorship of Sarah Boulter and Lisa Bowmer. During this time, he was invited to perform with the studio's select company and began forging creative partnerships with other commercial dancers—many of whom he continues to collaborate with today.

Pete's performance career has taken him across Aus and internationally. In 2016, he was cast by global production company Talent Avenue to perform as a soloist in Honda's Avancier launch at Beijing's National Stadium. Pete established himself in the commercial dance scene, performing at high-profile corporate events for major brands including Pepsi, Apple, SONY, ASICS, Dermaveen, St George Bank, Dr. Lewinn's, Toyota, Qatar Airways and Porsche. He has also danced for international names such as Drew Barrymore, Sneaky Sound System and more at large scale events.

In 2017, Pete travelled to Los Angeles to further his training, studying under acclaimed choreographers including Jillian Myers, Megan Lawson, Camillo Lauricella, and Teddy Forance. That same year, Forance cast Pete in Telstra's Together It's Magic TV commercial, showcasing him alongside some of Sydney's top commercial talent.

Continuing to expand his global experience, Pete was selected in 2018 for the second season of Jillian Myers' international training and performance program Questions and Answers, travelling to Tokyo, Japan to perform and collaborate with creatives from around the world. Known for his athletic, innovative movement style, Pete is a highly sought-after teacher and choreographer across Australia. His recent creative credits include the NSW School Spectacular, the Sydney Gay and Lesbian Mardi Gras, the 2019 Cemoy Campaign, and Dancing With the Stars, where he served as assistant choreographer.

Pete has also worked extensively with Opera Australia as a seasonal dancer and actor. His credits include Graeme Murphy's Turandot, David McVicar's Don Giovanni, and most notably, the principal dance role of 'The Matador' in Verdi's La Traviata, as well as Madama Butterfly on Sydney Harbour.

Pete is known for his professionalism, versatility, and deep commitment to his craft. His ability to adapt, create, and collaborate has shaped a dynamic career that spans stage, screen, and studio—and continues to grow across all facets of the dance industry.
